

# Footer (Sticky Ads)

A sticky ad is an ad unit which stays visible on the page while the user scrolls through the content of your page. Sticky ads are a non-intrusive format that can be very effective to increase CTR and your Active View metrics.

**Footer sticky ads** are present at the bottom of the webpage. They generally spread from one end to the other end of the screen in a landscape manner.

Footer sticky ads mostly consists of these ad sizes. Indicating that creative size will be rather small. Therefore, it is essential to fit the information to the banner so it would be well visible.

Creative Size	Impressions
320x50	595,236,964
300x250	175,641,606

300x50	113,459,929
320x100	107,423,631
728x90	67,648,701
300x100	53,788,083
250x250	24,159,372
336x280	16,187,811
120x600	14,937,884
320x480	10,795,127
970x90	9,455,822
300x600	9,376,698
468x60	5,289,943
728x40	3,436,014
