

Getting Additional Help

If you've consulted the manual and available resources but are still facing unresolved issues, help is available.

Before reaching out, please ensure you have:

- Carefully reviewed the relevant sections of this manual.
- Explored all available resources.

If your issue remains unresolved, you can contact Eskimi Tech Support for assistance.

Contact Information:

Email: tech@eskimi.com, or adops@eskimi.com

Important:

Please contact support **only after** you have exhausted all available self-help options. This ensures faster and more efficient assistance.
